

Redondo Beach Apartment Complex

Removal of old roof system and replacment of all wood rot and termite damage to be Inspection ready!

After we pass The Cities roof deck(Sheathing) inspection, we then continue preparing by replacing all roof flashings and ALWAYS using a 75 pound Base sheet!

Next We Torch in the APP Dibiten Torch Rolls with only our Dibiten Certified Installers and ALWAYS with all safety equipment near by!

Once **RR Roofing** is complete with the installation of the new Roof System, We will make all arrangements with The City for all final Inspections!
